

MA. SAMANTHA ELIZABETH M. DEPAMAYLO

BS Information Technology
with Specialization in **Web and Mobile Applications**

Objective

To obtain an internship position in Web and Mobile Application Development, in which I may apply my foundational knowledge of programming, database management, and UI/UX design, acquired through academic coursework, independent study, and my capstone research project. I am committed to contributing to the objectives of a development team while continuing to adapt, learn, and advance professionally.

Accomplished Projects

- *Baylo*: A Web and Mobile Platform for Community Bartering, a capstone research project that lets community members exchange goods and services, with system quality evaluated using ISO/IEC 25010. | **Project Manager, Web Lead Programmer**
- *CHASAM*: An e-business proposal for an online Filipino food store, built with WordPress and WooCommerce, covering the store concept, product catalog, online ordering experience, and brand logo. | **E-Business Proposal Developer, WordPress & WooCommerce Developer, Logo Designer**
- *Cafe Paste*: Mobile app wireframes for a cafe brand, laying out the main screens and user flow before development. | **UI/UX Designer**
- *Cafe Paste*: Branding mockups for a cafe brand, applying its visual identity to merchandise. | **Graphic Designer**
