MA. SAMANTHA ELIZABETH M. DEPAMAYLO

San Pedro, Laguna, Philippines | samanthaelizabethdep@gmail.com | 0949 944 9562

To obtain an internship position in Web and Mobile Application Development, in which I may apply my foundational knowledge of programming, database management, and UI/UX design, acquired through academic coursework, independent study, and my capstone research project. I am committed to contributing to the objectives of a development team while continuing to adapt, learn, and advance professionally.

EDUCATION

Bachelor of Science in Information Technology with Specialization in Web and Mobile Applications | FEU Alabang

2023 – Present | Expected Graduation: September 2027

Senior High School | Pacita Complex Senior High School

2021 – 2023 | Science, Technology, Engineering, and Mathematics (STEM)

EXPERIENCE

Project Manager and Web Lead Programmer | Baylo Capstone Project | FEU Alabang
2025 - 2026

- Coordinated team tasks and system planning for a web and mobile community bartering platform developed for Barangay Balibago, Santa Rosa, Laguna.
- Led web development of the platform and maintained project documentation from early design through the final capstone chapters.
- Evaluated system quality using ISO/IEC 25010 with 100 respondents, computing weighted means across eight quality categories.
- Created structured black-box and white-box test scripts for the system.

Team Leader, UI/UX Designer and Graphic Designer | Cafe Paste Client Project | FEU Alabang
2024

- Designed wireframes in Adobe Illustrator for a client's cafe mobile app, mapping out the main screens and user flow to guide the client's vision before development
- Produced branding mockups applying the cafe's logo, colors, and visual identity to merchandise such as shirts and cups

Secretary and Programs Officer | Phenom Dance Crew, FEUTURE ACTS (FACTS) | FEU Alabang

2024 - Present

- Prepared official activity proposal documents (APP and APF forms) for the organization, including proposals for Open Training and a General Assembly
- Produced post-activity reports for the Phenom Dance Crew Auditions, Sayaw Hataw Competition, and the Talent FACTory Day dance workshop.

PROJECTS

Baylo: A Web and Mobile Platform for Community Bartering | Capstone Project, FEU Alabang
Project Manager, Web Lead Programmer | React.js, HTML/CSS/JavaScript, Firebase, PostgreSQL

- Led team coordination, system planning, and documentation for a platform that enables verified residents of Barangay Balibago to exchange household items without money
- Contributed to platform features including structured listings, item recommendations, communication, and transaction history
- Evaluated system quality using the ISO/IEC 25010 software quality model

CHASAM: Online Filipino Food Store E-Business Proposal | Academic Project
E-Business Proposal Developer, WordPress and WooCommerce Developer, Logo Designer | WordPress, WooCommerce, Canva

- Developed an e-business proposal covering the store concept, product catalog, and online ordering experience
- Designed the brand logo for the store

Cafe Paste: Mobile App Wireframes | Client Project
UI/UX Designer | Adobe Illustrator

- Designed wireframes for a client's cafe mobile app, laying out the main screens and user flow before development

Cafe Paste: Branding Mockups | Client Project
Graphic Designer | Adobe Illustrator

- Produced branding mockups applying the cafe's logo, colors, and visual identity to merchandise.
